SIXTY-FIVE YEARS IN SAN FRANCISCO

© GABRIEL MOULIN

FOR SIXTY-FIVE YEARS, The Anglo Bank has been playing a helpful part in the daily lives of San Franciscans of every calling.

Downtown, midtown and uptown—in the financial district, in the executive offices of great corporations, on the waterfront and in the railroad yards, in factories and warehouses, in department stores and neighborhood shops, in tens of thousands of homes, The Anglo Bank is known as a helpful, friendly institution.

One reason why so many San Franciscans bank with The Anglo is the fact that it has the facilities and the resources to fill *every* banking need. Another reason is that The Anglo Bank constantly endeavors to be of the maximum usefulness to *every* customer.

COMMON SENSE

ABOUT CITY DIRECTORY CIRCULATION

The true value of advertising circulation is circulation consulted.
To be exact by actual survey in twenty-four average American cities by actual count each city directory averaged three and one-half consultations for each business day.
To be conservative we will eliminate the sixty Sundays and Holidays when no tests were made.
For every thousand directories sold there will be an average of three and one-half daily consultations for each book for three hundred and five days, therefore—

$$1000 \times 3\frac{1}{2} \times 305 = 1,067,500$$

Samaritan Treatment for ALCOHOLISM

Samaritan treats EXCESSIVE DRINKING as a disease. Each patient is treated in confidence by a staff of ethical physicians and registered nurses in approximately two days' time. This is followed by thorough supportive treatment that rebuilds the body in all cases yet does not interfere with one's daily routine.

Excessive Drinking endangers your Health, Position and Self-Respect. Samaritan treatment eliminates all desire and craving for alcoholic beverages. Call in person; write or phone for booklet A, which explains in detail the Samaritan method.
